## 1. Foreword from the Chair

Over the last academic year members of the executive team have worked with local governors and trustees to create a framework that brings clarity to the different elements and roles within the governance structure of Learn Academies Trust. This has been no easy task, but by learning together and in fellowship, we are confident that we now have a greater shared understanding of how we can carry out our roles effectively for the benefit of all children and families in our schools. This document sets out the principles and formal arrangements for governance across Learn-AT.

Governance in a charity like Learn-AT is dependent on the calibre and capabilities of the non-executive team. By non-executive, we mean those of us who volunteer. In our roles, we serve children and families, offering our experiences and judgement. In doing so, we accept accountability, not for personal, material benefit but for the greater public good and in particular, to improve the life chances of the pupils in our schools. This year, our team of Learn-AT volunteers will consist of some 120 Local Governors and 11 Multi-Academy Trust (MAT) trustees. This is a remarkable testament to the charitable, generous spirit of those of you who have agreed to serve as part of the governance team of the Trust.

The quality and effectiveness of our governance is pivotal to ensuring all those resources are used most effectively in delivering exceptional learning opportunities for children and best value to the tax payer.

As a charitable Trust we are accountable for:

- the educational outcomes and welfare of more than 2000 children;
- the livelihoods of close to 300 employees;
- the prudent management of over £8.2 million of public money each year; and
- the stewardship of public buildings and land worth approximately £1.6 million.

The law places accountability for the educational outcomes and financial diligence of the Trust firmly with the Trustees and the CEO as Accounting Officer. However, a fundamental principle for us is that effective governance is best delivered as close as possible to the point of impact of decisions. For this reason, we have a governance structure that delegates significant accountability to our local governing bodies (LGBs). We have nine LGBs; they represent the voices of parents, pupils and staff in shaping the on-going development of the Trust. We want the LGBs to champion their schools and communities as part of the wider trust family.

This document is based on the findings of a governance working group who led a review during 2017/18. It provides clarity on the framework in which the different elements of governance work in fellowship for the benefit of the whole Trust. We know this is a lengthy document: it reflects the breadth of governance work. We will continue to review the detail of these governance arrangements as a family of governors: Local Governors and Trustees.

Thank you for your contribution to this crucial work.

**Gillian Weston, Chair**

## 3. Learn-AT Governance Charter

Learn-AT is a charitable voluntary organisation which relies on the valuable input of a considerable number of non-executive volunteers, supported by an experienced team of staff. Due to the size of the organisation and the number of schools for which it is responsible, coupled with its drive for accountability, it is also a complex organisation with various important elements of governance.

## 4. Principles

- 4.1. The Learn-AT Framework sets out the fundamental principles of the organisation and lays down the rules for its governance. The Framework consists of the principles set out here, the Academy Trust Articles of Association and the detail set out in the Roles and Functions Overview, Terms of Reference and Scheme of Delegation.
- 4.2. The governance principles of Learn-AT recognise the importance of developing processes and structures and relationships with common purpose.
- 4.3. We will continue to develop our governance arrangements to shape and take account of best practice in the sector. The '21 questions that every Multi-Academy Trust should ask itself' (January 2015; see Annex 1), set out by the All Party Parliamentary Group on Education Governance and Leadership, provide a foundation by which we will assess the effectiveness of our governance.
- 4.4. Financial governance must, as a foundation, be compliant with the principles and regulations set out in the Academies Financial Handbook. Learn-AT aims to go beyond this foundation to provide excellence in its governance.
- 4.5. Governance is underpinned by a common understanding about who is responsible for providing valuable input to decision making and who has the decision-making responsibility.
- 4.6. Effective governance in our large Academy Trust is supported by the following:
  - a. Trust Members – the guardians of the constitution
  - b. Trust Board – the Directors / Trustees
  - c. Trust board committees
  - d. Local Governing Bodies – the Local Governors
  - e. Cluster Boards – to encourage collaboration where Local Governors work together to reflect executive leadership structures.
  - f. The Executive Team - the Chief Executive Officer (the CEO), the Director of Finance and Operations (together with the Executive Leaders) and their respective teams.
- 4.7. The Trust Board is ultimately accountable and has overall responsibility and ultimate decision-making authority for all the work of the Trust and all Learn-AT schools.
- 4.8. The governance of each Academy shall be delegated to the relevant Local Governing Body. The specific terms of this delegation are set out in the Scheme of Delegation.

## 5. Vision and Values

- **Vision:** a school-led, research-informed professional community in which staff thrive and children flourish
- **Values:** Learning ~ Fellowship.
- **Guiding Principles:** Learning is the main thing. Keep the main thing, the main

thing and do the right thing, the right way. Together.

## **6. What does being a Church of England mixed community and C of E Trust mean?**

- 6.1. Learn-AT is a Diocese of Leicester multi-academy trust, with majority Diocesan representation on the Members' Board. The Trust comprises both Church of England and community primary schools. Learn-AT is committed to supporting and nurturing the distinguishing characteristics, identity and values of each Academy, while acknowledging that the strength of the Trust lies in professional and disciplined collaboration. Success does not mean increased isolation. Each academy is likely to be a giver and a receiver of support at any time. The continuous, strategic provision for a strong and collaborative partnership of individual schools contributes to the success of the whole organisation.
- 6.2. Recognising the value of collaboration and the advantage of a public association, Learn-AT will provide a voice on national issues affecting the Trust and our academies, helping to communicate the Trust's needs and concerns to those responsible for the funding and regulation of publicly funded schools.
- 6.3. Learn-AT is committed to supporting the schools within the Learn-AT family for the benefit of the communities served by the schools. The Trust expects academies to work together in the spirit of fellowship. The Trust and Local Governing Bodies work in partnership, sharing a common mission and drawing on each other's strengths to overcome weaknesses and respond robustly to challenges.
- 6.4. Learn-AT aims to provide a strong, responsible foundation from which every academy is supported to develop and improve. The Trust Board, supported by its Local Governing Bodies, ensures that Learn-AT operates with integrity and transparency, delivering the best possible learning experiences for all children.
- 6.5. We are committed to creating a culture that strongly reflects the Trust's core values - *learning and fellowship*
- 6.6. *Learning is the main thing. We aim to keep the main thing, the main thing and do the right thing, the right way. Together.*
- 6.7. Our Local Governing Bodies champion the Trust's values in our schools.

## **7. Accountability for decisions**

- 7.1. The Trust Board delegates authority to three key groups to ensure the effective leadership and governance of the Academy Trust. The three key groups are:
  - Executive leadership and management team (the Executive Team);
  - Local Governing Bodies
  - Cluster Boards – where schools work together under the leadership of an Executive Headteacher, local governors from each school's LGB work together as a Cluster Board to encourage collaboration.
- 7.2. The relationship between the Trust Board, the Executive Team, Local Governing Bodies and Cluster Boards is characterised as a partnership to realise a common

vision and a common purpose. In the case of the Local Governing Bodies and Cluster Boards, the relationship between the three tiers of governance is also based on the principles of:

1. no duplication of governance.
2. governance should be as close as possible to the point of impact of decision-making.

7.3. The Terms of Reference and the Roles and Functions Overview provides clarity as to who the decision makers are for different tiers of governance. Effectiveness of leadership, management and governance is supported through clarity over who holds the decision-making responsibility and who supports and advises the decision makers. The use of the 'Bain RAPID' tool, described in Appendix 2, underpins relationships developed at different levels of governance and management to support effective and efficient decision making.

## **8. Intervention**

8.1. The Trust Board remains ultimately accountable for the Trust and the conduct of the Academies. The operation of the various elements of governance outlined in this Charter is crucial to the success of the group. However, there will be circumstances (more the exception than the norm) where the Trust Board might need to intervene and, for example, withdraw delegated authority for a particular element of governance. The Learn-AT Scheme of Delegation provides detailed information about how authority is delegated between the Members, the Trustees and the Local Governing Bodies.

8.2. In such circumstances, the Trust Board, along with the Executive Team, would work closely with any Academies concerned, including Local Governors, who would be expected to promptly implement any advice or recommendations made by the Trust Board and the Executive Team.

8.3. The Trust Board reserves the right to review or remove any power or responsibility which it has delegated, in particular, in circumstances where serious concerns in the running of an Academy (or Academies) are identified, including where:

- there are concerns about financial matters;
- insufficient progress is being made against educational targets (including where intervention by the Secretary of State is being considered or carried out);
- there has been a breakdown in the way the Academy is managed or governed; or
- the safety of pupils or staff is threatened, including a breakdown of discipline.

## 9. Overview of key elements of governance

### 10. Members

- 10.1. Learn-AT has "**Members**" who are best viewed as guardians of the constitution, changing the Articles if necessary and ensuring the charitable object is fulfilled. The Members appoint the Trustees and can exercise reserve powers to appoint and remove Trustees, but it is anticipated that this power will be rarely exercised. The Academy Trust will ordinarily have at least five Members.

A key element of their role is to safeguard the vision and ethos of the Trust. More information about the role of Members can be found here:

[https://www.nga.org.uk/getattachment/MATs/NGA-Guidance/Members-of-the-academy-trust/Academy-Trusts-12pp-\(Nov-2019-WEB\)-AW-\(003\).pdf?lang=en-GB](https://www.nga.org.uk/getattachment/MATs/NGA-Guidance/Members-of-the-academy-trust/Academy-Trusts-12pp-(Nov-2019-WEB)-AW-(003).pdf?lang=en-GB)

### 11. Trust Board

- 11.1. The corporate management and trustee responsibility for the actions of the company is vested in the "**Trustees**" of the Academy Trust (together, referred to as "the **Trust Board**"), who are company directors registered with Companies House.
- 11.2. The Trustees are personally responsible for the actions of the Academy Trust and the Academies and are accountable to the Members, to the Secretary of State for Education and to the wider community for the quality of the education received by all pupils of the Academies and for the expenditure of public money. The Trustees are required, as trustees and pursuant to the Funding Agreements, to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Academy Trust.
- 11.3. The role of the Trust Board is reflected in the '21 questions that every Multi-Academy Trust should ask itself' identified by the All Party Parliamentary Group on Education Governance and Leadership (January 2015) and set out in Appendix 1 of this Charter:
- Setting the vision, ethos and strategy for the Academy Trust and its academies over the next three to five years;
  - Establishing the governance structures for the Academy Trust, from Members to Academy level, in keeping with the Articles of Association;
  - Providing clarity, through the published Terms of Reference, the roles and functions overview and the Scheme of Delegation, about the level at which the following governance functions are exercised:
    - determining each individual Academy's vision, ethos and strategic direction
    - recruiting each Academy's Headteacher
    - performance management of each Academy's Headteacher

- determining Human Resources policy and practice
  - oversight of each Academy's budget
  - assessment of the risks for each Academy.
- Setting the level at which the LGBs will have authority and accountability through the scheme of delegation;
  - Engaging with the Academies' communities, parents, pupils and staff;
  - Contributing to developing collaborative relationships beyond the Academy Trust;
  - Ensuring that there is a strong and effective executive leadership structure, and personnel, in place across the Trust;
  - Overview and scrutiny of Academies' education performance data;
  - Overview and scrutiny of the Academy Trust's financial capability and management systems to ensure compliance with the Academies Financial Handbook, and deliver best value for money;
  - Ensuring senior leaders within Academies are challenged to improve the education of pupils;
  - Developing the Trust Board to ensure that it has the capacity, skills and succession plans to have a positive impact on outcomes for pupils.
  - Providing a published Annual Report.

11.4. The Trust Board sets Trust-wide policy.

11.5. The Board will carry out a regular skills audit of its Trustees. Where key skills are missing on the Board, expertise will be procured to support the challenge and scrutiny of specialist areas such as human resources or educational performance.

## 12. Trust Board Associate

12.1. The role of **Associate Trustee** is to supplement the knowledge, skills and experience of the Board of **Trustees**. **Associate Trustees** are appointed by the Board of Trustees. The role is advisory and is separate from the decision making process. The Trust Board may appoint a number of Associates totalling no more than half the number of Trustees. An Associate is someone who possesses skills or expertise needed by the Board, and who can contribute to the effective governance of Learn-AT. An Associate can attend Board and committee meetings but has none of the accountabilities of a Trustee and cannot vote. Associates are appointed or re-appointed on an annual basis. In order to meet safer recruitment requirements and to address conflict of interest and related party guidance, an Associate is appointed using the same procedure as that for Trustees. Associate Trustees can be removed by the Trust Board.

## 13. Trust Board Committees

13.1. Trust Board Committees will provide the overview and high-level scrutiny of the

prioritised risks.

13.2. The Trust Board Committees will be:

- School Improvement
- Finance and Audit
- The Local Governing Bodies of each individual academy
- Pay

## 14. Executive Team

14.1. The Learn-AT "**Executive Team**" is the executive management arm of the Academy Trust, focusing on finance, operations and the educational performance of the Academies. It operates under the leadership and direction of the CEO, who is by virtue of his/her position a Trustee of the Academy Trust. The Executive Team works directly with the staff in each Academy and the Local Governing Bodies to ensure that the required outcomes are achieved in accordance with the direction and vision of the Trust Board.

## 15. Local Governing Bodies (LGBs)

- 15.1. Learn-AT Local Governing Bodies provide advice, support and challenge to the headteacher in leading the school and ensuring all pupils flourish. They guard the school's ethos, ensure the school collaborates with other schools in the Trust to share effective practice, resources and experience and manage its relationship with the community. Local Governors work with the Trust CEO to manage the performance of the Headteacher and report annually to the Trust Board on the school's achievements and areas of development.
- 15.2. The role of a Local Governor within a Multi-Academy Trust is an important one. In developing our governance arrangements, the Trust Board aims to minimise duplication of governance responsibilities and to secure authentic local governance for each academy. The Trust Board establishes Local Governing Bodies for each of the Academies, for the most part made up of individuals drawn from the Academy's community, both as elected and appointed members.
- 15.3. The Local Governors are accountable to the Trust Board (which in turn is accountable to the Department for Education) as well as to the communities they serve.
- 15.4. The responsibilities and duties of the Local Governing Body are outlined in detail in the Roles and Functions Overview; this forms the basis of the Scheme of Delegation, a key document which supports the work of Local Governing Bodies, facilitating a clear focus on the core areas of:
- Standards, curriculum and school ethos
  - Health, safety and premises, including safeguarding
  - Parental and wider community engagement
  - Assurance and oversight of compliance and risk, including finance.
- 15.5. While LGBs recruit their own candidates for local governance, the final approval

for appointment lies with the Trust Board. If the LGB is struggling to fill local governor vacancies, the Trust may support recruitment. LGBs should collaborate with LGBs at other Trust schools to identify non-parent governors. Local Governors are appointed for a maximum term of 4 years and may be re-appointed with the approval of the Trust Board. The Trust Board may decide to appoint one or more members to a Local Governing Body to support capacity or provide governance support. The Trust Board expects all LGBs to undertake a regular evaluation of skills and relevant expertise and to appoint Local Governors on the basis of the skills gaps identified through the evaluation process. LGBs should take account of guidance provided by the Trust relating to skills and expertise pertinent to local governance when undertaking this evaluation and making Local Governor appointments.

- 15.6. The Trust Board will only exercise its right to remove any of the Local Governors in exceptional circumstances and in consultation with the Chair and/or the Vice-Chair and/or other members of the Local Governing Body. Circumstances which might lead to removal would include, for example, any breach of the Trust's Safeguarding Code of Conduct or the Governance Code of Conduct. The Trust Board reserves the right to remove all or some Local Governors where the actions of the LGB are putting the effective functioning and leadership of the school at serious risk, for example, if Ofsted found local governance to be inadequate. Similarly, the Trust Board reserves the right to remove a Chair and/or Vice-Chair.

## **16. The role of Cluster Boards**

- 16.1. Where executive leadership structures have been established between more than one academy, these structures may be reflected in the local governance structure by establishing a Cluster Board. Members of the Cluster Board are drawn from the Local Governing Bodies of the schools in the cluster. The Cluster Board members elect a chair to serve for a two year term. The Cluster Board can establish cluster sub-committees, with members drawn from the LGBs, to carry out specified local governance functions on behalf of the cluster.
- 16.2. The core purposes of a Cluster Boards is:
- to provide advice, support and challenge to the executive headteacher in leading the schools, helping all their pupils to thrive, guarding the ethos of each school and managing their relationships with their communities;
  - to manage the performance of the executive headteacher in partnership with the Trust Leader;
  - to report annually to the Trust Board on the schools' performance.
- 16.3. The role of the Cluster Board is an important one. It is to provide focused, authentic governance for the academies at a local level, which does not duplicate the role of the Trustees or of the LGBs. The Cluster Board monitors the academies' key performance indicators and acts as a critical friend to the Executive Headteacher and the cluster's senior leadership team, providing support and challenge where appropriate.

- 16.4. Cluster Boards carry out their functions in relation to their respective academies on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the Cluster Board is a delegation of powers and duties, not a delegation or shedding of accountabilities.
- 16.5. Learn-AT's Trust Board expects Cluster Boards to report on these main areas:
- Curriculum and Standards
  - Finance, Risk, Resources and Pay

## **17. Sub-committees of the Cluster Board**

- 17.1. The Cluster Board may establish sub-committees to carry out certain functions of the Cluster Board. The Trust Board will determine the main areas on which they expect the Cluster Board to report. However, the Cluster Board may determine how its sub-committees address those areas. The Cluster Board will determine the constitution, terms of reference and membership of the sub-committees it establishes and review them annually. The membership of Cluster Board sub-committees will usually be composed of members of the schools' LGBs. Joint working groups may also be established to promote professional collaboration and effective working in specific areas of governance, for example in relation to the governance of schools' religious foundation and SIAMs.

## **18. The role of Local Governing Bodies where there is a Cluster Board**

- 18.1. The powers and duties retained by the LGBs where a cluster board has been established are clearly defined in this scheme of delegation and will usually include:
- School ethos (including Christian ethos in the case of Church of England schools)
  - Parental and community engagement
  - Health, Safety and Premises, including safeguarding
- 18.2. The role of an LGB is an important one. It is to provide focused, authentic governance for the Academy at a local level, which does not duplicate the role of the Cluster Board or the Trustees. The LGB monitors the Academy's key performance indicators in areas specified in the Scheme of Delegation and acts as a critical friend to the Head of School and the academy's senior leadership team, providing support and challenge where appropriate.
- The LGBs carry out their functions in relation to their respective academy on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the LGBs is a delegation of powers and duties, not a delegation or shedding of accountabilities.

## **19. Pupil, parent and staff voice**

- 19.1. Accessing and responding to pupils' collective concerns is an important part of the operations and governance of Learn-AT academies. All schools have active School Councils with pupil representatives from each year group. Each LGB is expected to give due regard to issues that are raised through the School Council and the management actions taken in response to issues.
- 19.2. Parental voice is formally built into the governance structure with the election by parents of two Parent Governors to each LGB. Staff voice is similarly built into the governance structure with the election to each LGB of two employees of the Academy (usually one teacher and one non-teaching staff member) by employees of the Academy.
- 19.3. The Trust seeks the views of pupils, parents and staff via a survey at least annually.

## **20. Overview: composition of governance elements**

### **21. Trust Members**

- The Chair of Trustees (currently Gillian Weston)
- 3 Members representing the Diocese of Leicester, currently the Diocesan Director of Education, the Archdeacon of Leicester and the Bishop of Leicester

## 25. Composition of Cluster Board

The number of local governors from each LGB on the cluster board or the Curriculum and Standards Cluster Sub Committee depends on the

number of schools in the cluste

**The roles and functions of each tier of governance are clearly defined in the Learn-AT Scheme of Delegation.**

**Criteria for LGBs to retain delegated authority include:**

- Level 2 (Good) or above Ofsted rating
- Any or all of the following are at or above national average: EYFS, Year 1 phonics, KS1 English and Maths, KS2 English and maths, absence. This will be considered at the Trustees' discretion
- Systems and procedures in the Academy exist which prioritise high quality teaching and learning and continuous school improvement, provide for sufficient challenge and feedback and enable support to be accessed from the academy leadership and trust teams where necessary
- School is fully and appropriately staffed
- In-year income higher than vs expenditure for capital and operating costs, day to day budgetary controls are adequate, 3-year financial plan shows income and expenditure balanced each year, reserves at target level (5% of GAG).
- Delegated authority may be returned for any section of the Scheme of Delegation at the discretion of the Trustees and according to the relevant criteria.
- A full complement of Local Governors is in place on the LGB, with appropriate skills and capacity, capable of providing quality support, challenge and feedback to the academy and the Trust Board.
- There are no concerns relating to the safety of pupils or staff at the academy

**Delegated authority may be returned for any or all of the roles and functions according to the above criteria at the discretion of the Trustees.**

## 26. Governance elements in more detail

### 27. Members: general guidance

- 27.1. The Members of the Academy Trust are the equivalent of the shareholders in a commercial company (save that they do not receive dividends). In simple terms the Members "own" the Academy Trust. They have a number of statutory rights and rights set out in the Academy Trust's Articles of Association (the Articles).
- 27.2. The Academies Financial Handbook (July 2016) issued by the Education and Skills Funding Agency ("ESFA") provides as follows:
- 27.3. "The members of an academy trust have a different status from the trustees. The members are the subscribers to the trust's memorandum of association, and any other individuals permitted to become members under its articles of association. Members have an overview of the governance arrangements of the trust and have the power to appoint trustees and remove these trustees.
- 27.4. Members can amend the articles and may do so to support stronger governance arrangements. For details on making changes to the articles, including circumstances in which Charity Commission approval is required, please see the Charity Commission guidance CC36: Changing your charity's governing documents.
- 27.5. While members can also be trustees, retaining some distinction between the two layers ensures that members, independent of trustees, provide oversight and challenge. This is especially important in multi-academy trusts in which trustees are responsible for a number of academies.
- 27.6. Academy trusts should be established with at least three members, although the Department for Education (DfE) encourages trusts to have at least five members in total, as this:
- ensures enough members can take decisions via special resolution (which requires 75% of members to agree) without requiring unanimity, and
  - facilitates majority decisions being taken by ordinary resolution (which requires a majority of members to agree)
- 27.7. Governance structures in which members are also employees are not considered by DfE to be best practice. Members must not be employees of the trust unless permitted by their articles of association. The latest model articles do not allow members to be employees."
- 27.8. The Handbook also provides that trusts "must notify DfE via GIAS within 14 days of the appointment or vacating of the positions of member, trustee, local governor, chair of trustees, chairs of Local Governing Bodies, accounting officer and chief financial officer".

## **28. Learn-AT Trust Board: Terms of Reference**

### **29. 1. Core values**

- establishing the vision, mission and values for the Academy Trust;
- carrying on the Academy Trust in accordance with the objects of the

Academy Trust as set out in the Articles of Association and safeguarding the assets of the Academy Trust;

- designing strategy and structure for the operation of the Academy Trust;

- risk management, that is identifying, quantifying and devising systems to minimise the major risks affecting the Academy Trust; and
- ensuring the Academy Trust and the Academies are conducted in compliance with the general law.

## **32. 4. Accountability of Trustees**

32.1. The Trustees are chiefly accountable to:

33.2. The Trustees should also hold the Executive Team to account. They should offer support, constructive advice, be a sounding board for ideas, a second opinion on proposals and help where needed, but will also challenge, ask questions, seek information and improve proposals where appropriate and at all times act in the best interests of the Academy Trust.

33.3. The Trustees shall have regard to the framework for inspecting schools in

33.4. England under section 5 of the Education Act 2005 (as amended) issued by the Office for Standards in Education, Children's Services and Skills (Ofsted).

33.5. The duties and responsibilities of Trustees are explained in further detail in '*The essential trustee: what you need to know, what you need to do*' (CC3) (Charity

33.6. Commission, July 2015), the *DfE Governance Handbook* and the *DfE Competency Framework for Governance – all of which is available on [www.gov.uk](http://www.gov.uk).*

33.7. The Trustees shall have regard to the Academies Financial Handbook, which shall be circulated to all Trustees and is also available on [www.gov.uk](http://www.gov.uk).

34.1. The Board shall appoint an individual from among their number to act as Chair on an annual basis.

34.2. The term of office of the Chair is one year.

34.3. A change of Chair will require a notification to be made to the DfE, including a Disclosure and Barring Service (DBS) disclosure form to be submitted via the DfE.

34.4. The main role of the Chair is to chair meetings of the Trust Board. He or she also provides leadership to the Trustees and acts as the main point of contact between the Trustees and the Executive Team.

34.5. Apart from any special responsibilities or powers given to the Chair in the Articles of Association (e.g. the right to chair meetings of the Trust Board and to have a second or casting vote in any case of an equality of votes at a meeting of the Trust Board), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an overspend in a certain area of the budget or the CEO's appraisal)

then this must be expressly delegated to him by the Board.

### **35. 7. Vice Chair of Trustees**

- 35.1. The Vice-Chair is appointed by the Board of Trustees. The term of office of the Vice-Chair is one year, but the Vice-Chair is eligible for reappointment at the end of that term.
- 35.2. The responsibilities of the Vice-Chair include the following:
- to deputise for the Chair in his or her absence;
  - to set the agenda for meetings of the Board with the Chair, if requested.
- 35.3. In the absence of both the Chair and the Vice-Chair at a meeting, the Trust Board will elect a temporary chair from among their number.

### **36. 8. Meetings of Trustees**

- 36.1. There will be a minimum of three meetings of the Trustees each academic year. Meetings of the Trustees shall be convened and conducted as provided by the Articles.

  - take appropriate action to ensure ongoing viability against agreed budgets.
- 36.3. In consultation with the Chair, the Trust Company Secretary shall prepare an annual plan for the meetings of the Trustees.

### **37. 9. Delegation of powers of Trustees**

- 37.1. Trusteeship (and directorship which necessarily follows) is a personal office of trust and responsibility and this cannot be transferred to another individual. However, in order to ensure the proper management of the Academies, the Trustees are able to delegate specific tasks to assist them in carrying out their duties and obligations.
- 37.2. It is for the Trust Board to determine what decisions it will take for itself, what will be delegated to committees, working groups or individual Trustees (e.g. the Chair)

and what will be delegated to the Executive Team. The Trustees must also consider when and from whom they should take professional advice.

- 37.3. In determining whether delegation is appropriate, the Trustees will have regard to the following principles:
- non-executive powers must be exercised by the Trustees personally and may not be delegated;
  - except when it is impracticable to do so, executive powers should be delegated to the Chief Executive Officer and Director of Finance, who may authorise further delegation; and
  - every act of delegation is only a delegation of powers and does not relieve the Trustees of responsibility.
- 37.4. The Trustees must not delegate any of their powers listed in Annex 3 ("the Reserved Matters").
- 37.5. Delegation can be made to:
- Board committees including the following committees:
    - Finance and Audit

  - the Executive Team (which in turn may delegate to further individuals).

## **38. 10. Removal of the Chair and/or Vice Chair of Trustees.**

## **39. 11. Stakeholder voices**

- 39.1. Trustees are asked to have regard to the voices of their various stakeholders and to put in place arrangements to receive feedback and to respond appropriately. This shall include the following, as they are involved in other elements/tiers of trust governance and more broadly:
- Pupils
  - Parents
  - Staff
  - Local Governors

## **40. 12. Risk management**

- 40.1. The Charities Statements of Recommended Practice ("the SORP") set out requirements for reporting on the risks to a charity.
- 40.2. The Trustees' report therefore must include a description of the principal risks and uncertainties facing the Academy Trust and any subsidiary undertakings, as identified by the Trustees. The report must also include a summary of the Trustees' plans and strategies for managing these risks. The Trustees must identify specific risks and describe ways to combat each one, rather than making general statements regarding risk management.
- 40.3. The Trustees are therefore responsible for:
- identifying the major risks that apply to the Academy Trust, including:
    - operational risks (employment issues, health and safety, fraud, service quality and development etc.);
    - financial risks (accuracy of financial information, cash flow, reserves, over-reliance on funding sources etc.);
    - external risks (changes in government policy, economic factors, demographic changes, adverse publicity etc.); and

  - making decisions (based where appropriate on advice from professional advisors) as to how to respond to those risks; and
  - making appropriate statements regarding the management of risks in the annual report.

- a) declare the nature and extent of any interest in any matter relating to the Academy Trust; and
  - b) avoid any conflict of interest between that interest and the interests of the Academy Trust.
- 41.2. In addition, charity law and guidance issued by the Charity Commission confers obligations on the Trustees to manage any conflict between a Trustee's duty to the Academy Trust and their own personal or business interests or for a Trustee to be influenced by conflicting duties to the Academy Trust and a third party.

41.3. Further details are set out in the Conflicts of Interest Policy with which the Trustees are obliged to comply.

## **42. 14. Recruitment of Trustees**

appointment (as required under the Academies Financial Handbook).

### **43. 15. Training and development of Trustees**

- 43.1. The Trustees shall ensure that the Board has the skills and experience needed to perform its functions effectively. Trustees shall also be kept up to date with developments in the legal and regulatory framework in which the Academy Trust operates.
- 43.2. The Trustees must have in place a system for evaluating Trustees, with a view to identifying potential gaps in their skills and any requirements for training. Such evaluation shall be carried out annually.

### **44. 16. Ceasing to be a Trustee**

### 21 Questions every Multi-Academy Trust Board should ask itself

[file:///zfilemgr2-06/sedwards/Downloads/21-Questions-for-Multi-academy-Trusts-FINAL-\(1\).pdf](file:///zfilemgr2-06/sedwards/Downloads/21-Questions-for-Multi-academy-Trusts-FINAL-(1).pdf)

#### Vision, ethos and strategy

- Does the Trust Board have a clear vision and strategic priorities for the next three to five years, to which all academies contribute, and which is understood by each of its academies?
- How effectively do these strategic priorities drive the governance structure, activities and agenda setting at all levels of the Trust?
- What vision does the Trust Board have for the size of the Trust and how does the strategy ensure that there is the capacity to support any additional academies well?

#### Governance structures

- Is the structure of the Trust from its members to academy level governance conducive to effective working, ensuring check and balances but avoiding duplication at different levels, and delivering good two-way communications?
- How does the Trust Board ensure that its governance structure is clear, in keeping with its Articles of Association, and that those at regional, cluster and academy level understand their roles and responsibilities compared to those of the Trust Board?
- Does the Trust Board have a scheme of delegation, is it published on its website and those of its academies, and does the scheme make clear where the following key governance functions are enacted:
  - Determining each individual academy's vision, ethos and strategic direction?
  - Recruiting each academy's Principal/Head of school?
  - Performance management of each academy's Principal/Head of school?
  - Determination of Human Resources policy and practice?
  - Oversight of each academy's budget?
  - Assessment of the risks for each academy?
- Is the principle of earned autonomy applied to individual academies or local clusters and if so, do all involved at all levels of governance within the MAT understand how?

#### Trustee Board effectiveness and conduct

- **Right skills:** Has the Trust Board adopted a robust and transparent process for the recruitment both of trustees and those at local governance level, including role specifications, skills audits and interview panel to ensure those carrying out governance functions have the full range of experience, qualities and skills necessary to discharge all the Trustee Board's responsibilities?
- **Clerking:** Does the Trust Board have a professional clerk providing information

and guidance on regulatory practice and procedures, including governance leadership to the committees and any academy level governance?

- **Chair:** How does the Trust Board ensure the chair shows strong and effective leadership?
- **Trustee performance:** Does the chair carry out an annual review of each trustee's contribution to the Board's performance and ensure each trustee is investing in his/her own development?
- **Succession planning:** Do we engage in good succession planning so that, in normal circumstances, no trustee serves for longer than two terms of office and the chair is replaced at least every six years?
- **Conflicts of interest & conduct:** How does the Trust Board ensure conflicts are avoided and that the Nolan principles of public life are adhered to?
- **Learning from others:** Has the Trust Board regularly reviewed its structures and practice, making use of other Boards' experiences and periodically seeking external expertise?

### **Engagement**

- How does the Trust Board listen to, understand and respond to pupils, parents, staff and local communities across all its academies?
- What benefit do the academies within the Trust draw from collaboration with other schools and other sectors, including employers, locally and nationally; and how is the Trust involved in contributing to improving leadership and schools beyond its own academies?

### **Effective accountability of the executive leadership**

- How well does the Trust Board understand its academies' performance data, and how do Trustees know that pupils in all their academies are making the best progress they can?
- What mechanisms does the Trust Board use to ensure there is a strong and effective executive leadership structure in place across the Trust, including personnel with the right skills, clear line-management and reporting mechanisms?
- How does the Trust Board ensure senior leaders within academies are challenged to improve the education of pupils, and what intervention would be used if improvement is not progressing according to plan at an academy?
- How does the Trust Board ensure that the Trust's financial capability and management systems are robust to ensure compliance with the Academies Financial Handbook, best value for money and deliver the long-term strategy?
- Do the compliance systems give assurance to the Trust Board that the Trust is meeting its statutory and legal responsibilities?

### **Impact on outcomes for pupils**

- How much have the academies improved over the last three years, and what has the Trust Board's contribution been to this?

## **66. Part One: Appendix 9 - The Seven Principles of Public Life set out by the Committee on Standards in Public Life ("the Nolan Principles")**

### **1. Selflessness**

Holders of public office should act solely in terms of the public interest.

### **2. Integrity**

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

### **3. Objectivity**

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

### **4. Accountability**

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

### **5. Openness**

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

### **6. Honesty**

Holders of public office should be truthful.

### **7. Leadership**

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

## 1. Introduction

- 66.1. Members of a Learn-AT Academy's Local Governing Bodies play a valuable and authentic role in Trust governance.
- 66.2. Learn-AT is a charitable voluntary organisation which relies on the crucial input of a considerable number of volunteers, supported by an experienced team of staff. Due to the size of the organisation and the number of schools for which it is responsible, coupled with its drive for accountability, it is also a complex organisation with various important layers of governance. The Learn-AT Governance Charter provides an overview of some of those complexities as well as our principles of governance.
- 66.3. This constitution and terms of delegation for your Local Governing Body (LGB) has been made by the Trustees of Learn-AT (the Trust and Trust Board respectively) and we ask that you please read it alongside the Learn-AT Governance Charter and the Roles and Functions Overview. The Nolan Principles (Annex 1 of the Trust Board Terms of Reference) are also relevant to Local Governing Bodies.

## 67. Remit

- 67.1. The role of an LGB is an important one. It is to provide focused, authentic governance for the Academy at a local level, which does not duplicate the role of the Trustees. The LGB monitors the Academy's key performance indicators in the areas of achievement, teaching and learning, curriculum, ethos, finance, operations, safeguarding, parental and community engagement, communication and the wellbeing of pupils and staff. It acts as a critical friend to the Headteacher and the Academy's senior leadership team, providing support and challenge where appropriate.
- 67.2. The LGBs carry out their functions in relation to their respective Academy on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the LGBs is a delegation of powers and duties, not a delegation or shedding of responsibilities.

## 68. Intervention

- 68.1. The LGB will work closely with the Executive Team and shall promptly implement any advice or recommendations made by the Executive Team in respect of standards and performance, particularly where areas of weakness have been identified (either internally within the Trust or externally by the Regional Schools Commissioner or Ofsted).
- 68.2. The Trust Board reserves the right to review or remove any power or responsibility conferred on the LGB under this constitution and terms of reference, in particular, in circumstances where serious concerns in the running of the Academy are identified, including where:
  - there are concerns about financial matters;

- there is insufficient progress being made against educational targets (including where intervention by the Secretary of State is being considered or carried out);
- there has been a breakdown in the way the Academy is managed or governed; or
- the safety of pupils or staff is threatened, including a breakdown of discipline.

68.3. Where necessary, the Trust Board may appoint additional 'associate' members of the LGB whose responsibility it will be to support the LGB to address the areas of weakness.

- 69.1. Each LGB shall have a Chair and a Vice-Chair.
- 69.2. The length of service of all Local Governors and the Clerk to the LGB shall be four years. Subject to remaining eligible to be a Local Governor, any Local Governor may be reappointed or re-elected at the end of his or her term, subject to approval by the Trust Board.
- 69.3. Every person wishing to become a Local Governor will be required to sign a declaration of acceptance and of willingness to act as a Local Governor, in the form set out in Appendix 1 or as prescribed by the Trust Board from time to time and shall make disclosures for the purposes of a criminal records check by the Disclosure and Barring Service. All Local Governors must sign the Learn-AT Governance Code of Conduct annually.

## **70. Commitment of Local Governors**

- 70.1. Local Governors are asked to:
- prepare for and make an active contribution at meetings of the LGB;
  - champion the Academy in the local community;
  - familiarise themselves with the Academy's policies;
  - visit the Academy both during school hours (with prior arrangement with the Headteacher) and for evening events to get to know the Academy and to be visible to the Academy community; and
  - attend training sessions for Local Governors, where possible.

## **71. Stakeholder voices**

- 71.1. LGBs are expected to have regard to the voices of their various stakeholders (especially pupils, parents and staff) and to put in place arrangements to receive feedback and to respond appropriately. This includes engaging stakeholders through defined governance arrangements (including elected parent and staff governors on the LGBs) and more broadly.
- 71.2. Accessing and responding to pupils' collective concerns is an important part of the operations and governance of Learn-AT academies. All schools have active School Councils with representatives from each year group. Each LGB is expected to give due regard to issues that are raised through the School Council and the management actions taken in response to the issues.

## **72. Appointment and particular responsibilities of Local Governors**

### **73. a) Chair**

- 73.1. The Chair is appointed by the Local Governors. The term of office of the Chair is two years, but the Chair is eligible for reappointment at the end of that term.
- 73.2. The Trust Board is entitled to remove the Chair from office at any time, although

this would not necessarily affect the individual's position as a Local Governor.

73.3. The Chair and/or Vice-Chair will ordinarily meet with the Headteacher of the Academy and the Clerk before the start of the academic year to plan the work of the LGB for the year.

73.4. The responsibilities of the Chair include the following:

- To chair all meetings of the full LGB
- To be a member of at least one LGB working group
- To liaise with the LGB clerk to set agendas for LGB meeting and prepare and finalise minutes.
- To fulfil the role of critical friend to the headteacher, providing support and challenge for school leadership and management, meeting with the headteacher for a pre-planned meeting at least fortnightly and during the school day where possible.
- To build and lead the team of local governors, ensuring that the LGB has the skills necessary to provide effective monitoring and oversight of the school's activities.
- Represent the school in the wider trust, for example through engagement with the Learn-AT Chairs' Group
- to report to Trust Board in writing following any LGB meeting, if requested;
- to give an oral summary of the LGB's deliberations, if requested, at meetings of the Trust Board; and
- to provide a link between the LGB and the Trust Board, via the LGB Chairs' Group.
- To elect a representative 'Chair of Chairs' to represent the LGBs as a Trustee on the Trust Board.

73.5. In the event of a need to make genuinely urgent decisions between meetings on matters falling within the delegated authority of the LGB, the Chair of the LGB (or the Vice Chair of the LGB in his or her absence) in consultation with the headteacher, shall take appropriate action on behalf of the LGB. The decisions taken and the reasons for urgency shall be reported at the next meeting of the LGB.

## **74. b) Vice-Chair**

74.1. The Vice-Chair is appointed by the Local Governors. The term of office of the Vice-Chair is two years, but the Vice-Chair is eligible for reappointment at the end of that term.

74.2. The Trust Board is entitled to remove the Vice-Chair from office at any time, although this would not necessarily affect the individual's position as a Local

Governor.

74.3. The responsibilities of the Vice-Chair include the following:

- to deputise for the Chair in his or her absence;
- to set the agenda for meetings of the LGB with the Chair, if requested.

74.4. In the absence of both the Chair and the Vice-Chair at a meeting, the LGB will elect a temporary chair from among their number.

## **75. c) Local Staff Governors**

75.1. One member of the LGB shall be elected by the teaching staff at the relevant Academy.

75.2. A second staff member of the LGB shall be elected by the non-teaching members of staff of the relevant Academy.

75.3. The responsibilities of the Staff Local Governors are to help reflect the interests and opinions of teaching and non-teaching staff at the Academy to the LGB and to act in concert with the other Local Governors in the best interests of the Academy.

## **76. d) Elected Parent Local Governors**

76.1. Two Local Parent Governors for each LGB shall be elected in accordance with the process set out in Appendix 9 and summarised here:

- When a vacancy arises, the LGB will write to all parents of pupils at the Academy seeking nominees for the vacancy. Nominees will be asked to provide a short statement about why they are interested in being a Local Parent Governor and their background and experience that makes them suitable for the role.
- In the event that the number of nominees equals or is less than the number of vacancies on the LGB, the LGB can choose to appoint all (or any) of those nominated.
- If there are more nominees than places available, the LGB will write to all parents of pupils at the Academy asking them to vote for their preferred candidate.

76.2. A Local Parent Governor should be a parent or carer of a registered pupil at the relevant Academy or where this is not reasonably practical, a person who is the parent of a child of compulsory school age.

76.3. The responsibilities of the Local Parent Governor are to help reflect the interests and opinions of the parent body of the Academy to the LGB and to act in concert with the other Local Governors in the best interests of the Academy.

## **77. e) Other responsibilities**

77.1. Each LGB shall appoint from among its members individuals with specific responsibilities which shall include:

- a Local Governor with responsibility for special educational needs and inclusion;
- a Local Governor with responsibility for safeguarding;
- a Local Governor with responsibility for finance and statutory grants (including pupil premium);
- a Local Governor with responsibility for health and safety; and

## **78. f) Clerk to the Local Governing Body**

78.1. The Trust Board shall appoint a Clerk to the LGB who must not be a Local Governor. In the absence of the Clerk, the LGB shall elect a replacement for the meeting (who may be a Local Governor).

78.2. The responsibilities / functions of the Clerk to the LGB are as follows:

- support the Chair of the LGB to arrange an agenda and papers for each LGB meeting;
- convene meetings of the LGB including sending notices and papers of meetings;
- attend meetings of the LGB and ensure minutes are produced;
- maintain a register of members of the LGB including their terms of office and report any vacancies to the LGB, ensuring this information is on the Academy's website and liaising with the Learn-AT governance team to ensure the academy's governor details in Information about Schools are up-to-date;
- maintain a register of any relevant personal or business interests of LGB members, and ensuring a summary is published on the Academy website;
- maintain a register of Local Governors' attendance at meetings and report on non-attendance to the LGB;
- report to the LGB as required on the discharge of the Clerk's functions; and
- perform such other functions as shall be determined by the LGB from time to time.

## **79. g) Ceasing to be a Local Governor**

79.1. A Local Governor's term of office will be terminated if:

- any event or circumstance occurs which would disqualify him or her from the office of Trustee under the Articles were he or she to hold such office;
- he or she has failed to attend either three LGB meetings or for a continuous period of six months, beginning with the date of the first such meeting he or she failed to attend, and the Chair and the Vice Chair agree that the term of office should be terminated, a recommendation can be made to the Trust Board; if the Chair or Vice-Chair has failed to attend as outlined above they can be removed by a vote of the Trust Board.
- he or she resigns from office by notice to the Trust;
- he or she is removed from office by the Trust Board.

## **80. Convening meetings of the Local Governing Body**

80.1. Meetings of the LGB will be held in each term.

80.2. The Clerk to the LGB shall give written notice of each meeting and circulate an agenda and any reports or other papers to be considered at the meeting at least seven clear days in advance of each meeting. However, where the Chair determines there are matters demanding urgent consideration, it shall be sufficient if the written notice of the meeting states that fact and the notice, copy of the agenda and other papers are given within such shorter period as the Chair directs.

80.3. The Local Governors may invite persons who are not Local Governors (such as a member of a working group, any employee, any pupil, any professional adviser and any experts of any kind) to attend the whole or part of any meeting for purposes connected with the meeting.

80.4. The convening of a meeting and the proceedings conducted at meetings shall not be invalidated by reason of any individual not having received written notice of the meeting or a copy of the agenda.

## **81. Voting at meetings of the Local Governing Body**

81.1. The quorum for meetings of the LGB and for any vote on a matter at such meetings is two thirds of the total number of Local Governors in office at that time (rounded up to the nearest whole number).

81.2. A meeting shall be terminated if the number of Local Governors present ceases to constitute a quorum. Where a meeting is not held or is terminated before all the matters specified as items of business on the agenda for the meeting have been disposed of, a further meeting shall be convened by the Clerk as soon as is reasonably practicable, but in any event within seven days of the date on which

the meeting was originally to be held or was so terminated.

81.3. Any Local Governor shall be able to participate in, and be counted as present at for the purposes of the quorum, meetings by telephone or video conference provided that:

- he has given notice of his intention to do so detailing the telephone number on which he can be reached and/or appropriate details of the video conference suite from which he shall be taking part at the time of the meeting at least 48 hours before the meeting; and
- the LGB has access to the appropriate equipment;

and provided that, if after all reasonable efforts it does not prove possible for that Local Governor to participate by telephone or video conference, the meeting may still proceed with its business provided it is otherwise quorate.

81.4. Every question to be decided upon at a meeting of the LGBs shall be determined by a majority of the votes of Local Governors present and voting on the question. Votes tendered by proxy shall not be counted.

81.5. Where there is an equal division of votes, the Chair has a casting vote.

81.6. The Local Governors may act notwithstanding any vacancies, but, if the number of Local Governors is less than the number fixed as the quorum, the continuing Local Governors may act only for the purpose of filling vacancies.

81.7. A resolution in writing, signed by all Local Governors entitled to receive notice of a meeting shall be valid and effective as if it had been passed at a meeting duly convened and held. Such a resolution may consist of several documents in the same form, each signed by one or more Local Governors and may include an electronic communication by or on behalf of the LGB indicating his or her agreement to the form of resolution providing that the Local Governor has previously notified the LGB in writing of the email address or addresses which the Local Governor will use.

## **82. Interests of Local Governors**

82.1. Local Governors shall complete a register of their relevant personal and business interests, which shall be reviewed annually and published in summary on the Academy's website.

82.2. Any Local Governor who has any duty or personal interest that conflicts or may conflict with his or her duties as a Local Governor shall:

- disclose that fact to the LGB as soon as he or she becomes aware of it. A Local Governor must absent himself or herself from any discussions of the LGB in which it is possible that a conflict will arise between his or her duty to act solely in the interests of the Academy and such duty or personal interest;
- withdraw from any meeting for that item unless expressly invited to remain in order to provide information;

- not be counted in the quorum for that part of any meeting; and
- withdraw during the vote and have no vote on the matter.

### 83. Local Governing Body Sub-Committees

- 83.1. The LGB may establish sub-committees to carry out certain functions on behalf of the LGB. The Trust Board will determine the terms of reference of the main sub-committees of the LGB. The LGB will determine the constitution and membership of the it decides to establish and review them annually.
- 83.2. The main sub-committees of Learn-AT LGBs are expected to be:
- **Standards, Curriculum and Ethos (including community engagement)**
  - **Health, Safety and Premises (including safeguarding)**
  - **Pay**
  - **Finance, Risk, Resources**
- 83.3. The establishment of any new sub-committees or temporary, ad hoc sub-committees or working groups required to deal with specific issues, must be agreed in advance with the Trust Board and may not be serviced by the Executive Team.

### 84. Minutes

- 84.1. Attendance at each LGB meeting, issues discussed and recommendations for decisions shall be recorded and the minutes signed by the Chair at the next meeting of the LGB. The written record (once approved by the Chair of the relevant LGB meeting) shall be forwarded by the Clerk to the LGB as soon as is reasonably practicable to the Trust Board and the Trust Governance Coordinator, (and/or whoever else they specify) via Governor Hub.

### 85. Delegation to the LGB

- 85.1. The roles and functions of the LGBs are set out in the **Roles and Functions Overview**. Delegated powers are outlined in the Learn-AT Scheme of Delegation. Any other role that the Trust Board agree shall be carried out by the LGB will be communicated in writing to the Chair of the LGB.

### 86. a) General

- 86.1. The governance of the Academy is delegated to the LGB via the Scheme of Delegation. The LGB may exercise the powers of the Trust in so far as they relate to the Academy, subject to:
- any restrictions in the Companies Act which requires a decision of the Members or the Trust Board;
  - the Articles;

- Policies and Procedures set by the Trust Board;
- a specific decision of the Trust Board;
- paragraphs b) to d) below; and
- the reserved matters as set out in Appendix X.

86.2. The Trust Board and the LGB acknowledge that they each play a crucial role in the governance of the Academy and commit to working together in the best interests of the Trust and the Academies. They also acknowledge that the duties and responsibilities in relation to the operation of the Trust sit with the Trust Board and as such the Trust Board is entitled:

- to overrule a decision of the LGB; and/ or
- to remove delegated powers from an LGB

86.3. if (in their reasonable opinion) they consider it to be in the best interests of the Academy or the wider Academy Trust.

## **87. b) Decision Making**

87.1. The relationship between the Trust Board and the LGB is underpinned by the principles that there should be no duplication of governance and governance should be as close to the point of impact of decision-making as possible.

87.2. The Roles and Functions Overview, which provides further clarity as to who the decision makers are for different levels of decisions should be read alongside the Learn-AT Governance Charter and this constitution and the Scheme of Delegation.

## **88. c) Financial matters**

88.1. The LGB shall assess the annual budget for the subsequent financial year prepared by the Academy's Headteacher and senior leadership team and submit the budget to the Trust Board's Finance Committee for approval in accordance with the timeline specified by the Trust Board.

88.2. Subject to the paragraph below, the LGB shall have the power to expend funds of the Trust Board which relate to the Academy as it considers in the best interests of the Academy and in accordance with the delegated authority limits and the Procurement Policy. The LGB shall have regard to:

- the Objects of the Trust and the restrictions attached to any grant funding;
- the Academy's developmental priorities as set out in the Academy Development Plan; and
- financial sustainability.

88.3. In line with their duties and responsibilities as trustees and directors, the Trustees shall be entitled to determine that a proportion of the budget in respect of the Academy be held centrally for the following reasons:

- to be allocated to the provision of central services received by the Academy;
- in pursuance of the Academy Trust's reserve policy; and/ or
- as otherwise may be determined by the Trustees acting reasonably and in the best interests of the Academy Trust.

## **89. d) Contractual authority**

89.1. The LGB is authorised to enter into a contract on behalf of the Trust in so far as it relates to the Academy provided that:

- the contract does not exceed the value specified in the delegated authority limits from time to time;
- the contract has been procured in compliance with the Trust's procurement policy and in accordance with the Academies Financial Handbook;
- consideration is given as to whether the contract constitutes a 'related party transaction'; and
- the contract does not relate to the following services:

*HR; payroll; accountancy; audit; education inspection; leadership and CPD; energy supplier and energy management; financial management systems; management information systems; ICT systems and ICT hardware supplier contracts; telecommunication systems; stationery and consumables supplier contracts; catering contracts; cleaning contracts; facilities management; capital works; and health and safety management systems, unless:*

- a) in the case of leadership and CPD support, it complements rather than duplicates the Trust offer or, in any other service area, the Trust Business Manager has been consulted; or
- b) the contract is of a low value and short term (in the view of the LGB acting reasonably).

## 91. Associate Local Governors

91.1. The role of **Associate Local Governor** is to supplement the knowledge, skills and experience of the Local Governing Body. **Associate Local Governors** are appointed by the Board of Trustees. The role is advisory and is separate from the decision-making process. The LGB can recommend the appointment of a number of Associates totalling no more than half the number of Local Governors. An Associate may be someone who can bring specific skills or knowledge to the LGB, can attend meetings, contribute to discussions but cannot vote. Associates are appointed or re-appointed on an annual basis. To meet safer recruitment criteria and provide assurances to the trust board around conflict of interest issues, the appointment process for an Associate must be the same as for a full member of the LGB.

## 92. Cluster Boards

- 92.1. Where executive leadership structures have been established between more than one academy, these structures may be reflected in the local governance structure by establishing a Cluster Board. Members of the Cluster Board are drawn from the Local Governing Bodies of the schools in the cluster. The Cluster Board members elect a chair to serve for a two year term. The Cluster Board can establish cluster sub-committees, with members drawn from the LGBs, to carry out specified local governance functions on behalf of the cluster.
- 92.2. The core purposes of a Cluster Boards is:
- to provide advice, support and challenge to the executive headteacher in leading the schools, helping all their pupils to thrive, guarding the ethos of each school and managing their relationships with their communities;
  - to manage the performance of the executive headteacher in partnership with the Trust Leader;
  - to report annually to the Trust Board on the schools' performance.
- 92.3. The role of the Cluster Board is an important one. It is to provide focused, authentic governance for the academies at a local level, which does not duplicate the role of the Trustees or of the LGBs. The Cluster Board monitors the academies' key performance indicators and acts as a critical friend to the Executive Headteacher and the cluster's senior leadership team, providing support and challenge where appropriate.
- 92.4. Cluster Boards carry out their functions in relation to their respective academies on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the Cluster Board is a delegation of powers and duties, not a delegation or shedding of accountabilities.
- 92.5. Learn-AT's Trust Board expects Cluster Boards to report on these main areas:
- Curriculum and Standards
  - Finance, Risk, Resources and Pay

## 93. Sub-committees of the Cluster Board

- 93.1. The Cluster Board may establish sub-committees to carry out certain functions of the Cluster Board. The Trust Board will determine the main areas on which they expect the Cluster Board to report. However, the Cluster Board may determine how its sub-committees address those areas. The Cluster Board will determine the constitution, terms of reference and membership of the sub-committees it establishes and review them annually. The membership of Cluster Board sub-

committees will usually be composed of members of the schools' LGBs. Joint working groups may also be established to promote professional collaboration and effective working in specific areas of governance, for example in relation to the governance of schools' religious foundation and SIAMs.

## **94. The role of Local Governing Bodies where there is a Cluster Board**

94.1. The powers and duties retained by the LGBs where a cluster board has been established are clearly defined in this scheme of delegation and will usually include:

- School ethos (including Christian ethos in the case of Church of England schools)
- Parental and community engagement
- Health, Safety and Premises, including safeguarding

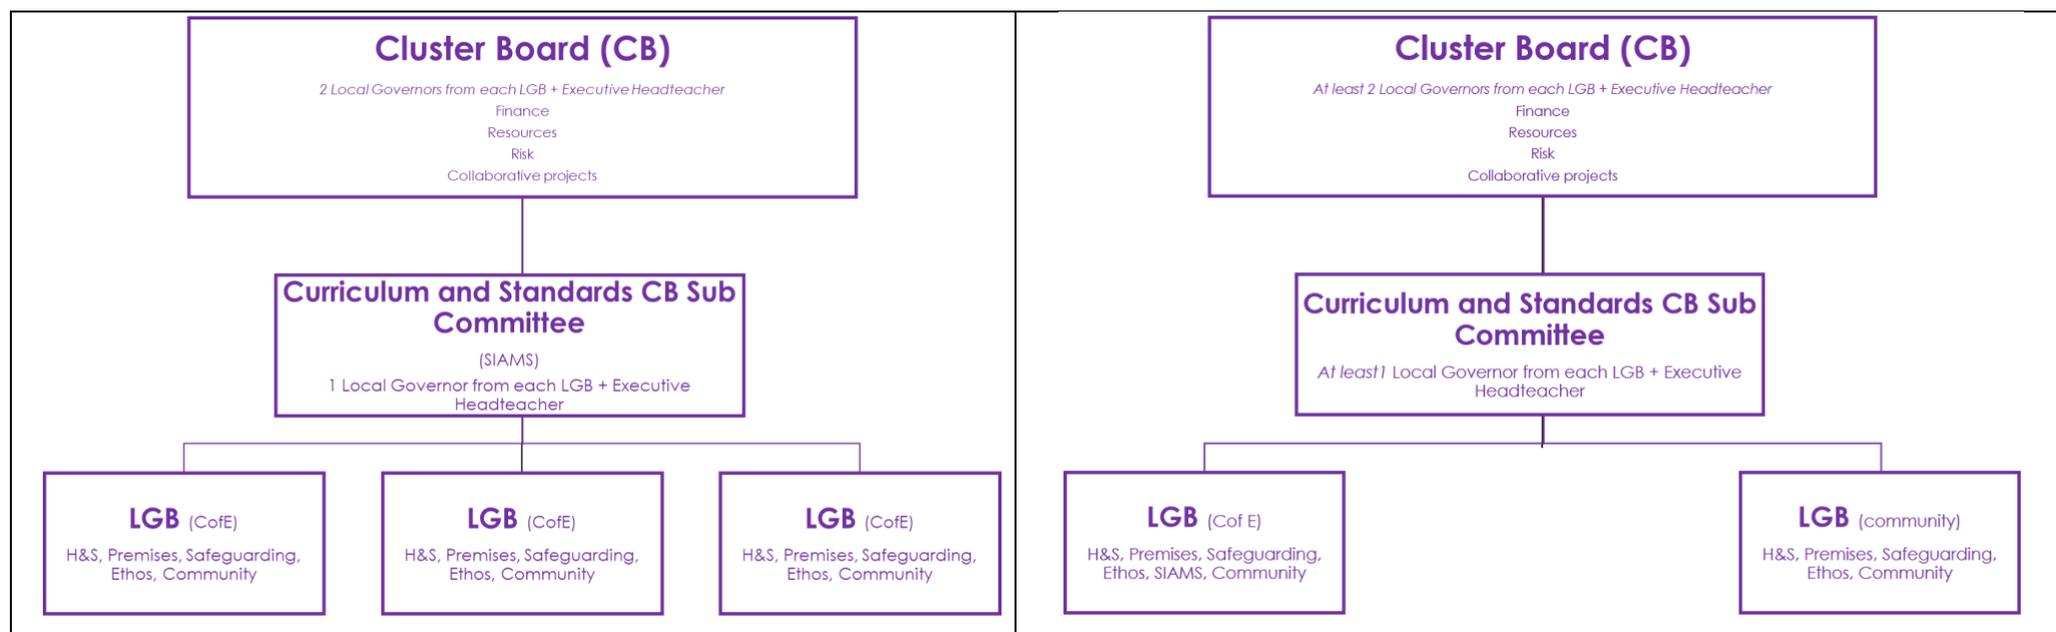

94.2. The role of an LGB is an important one. It is to provide focused, authentic governance for the Academy at a local level, which does not duplicate the role of the Cluster Board or the Trustees. The LGB monitors the Academy's key performance indicators in areas specified in the Scheme of Delegation and acts as a critical friend to the Head of School and the academy's senior leadership team, providing support and challenge where appropriate.

- The LGBs carry out their functions in relation to their respective academy on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the LGBs is a delegation of powers and duties, not a delegation or shedding of accountabilities.

**The key functions and responsibilities of the Local Governing Body and/or Cluster Board are defined in the Learn-AT Scheme of Delegation.**

## **97. Alterations**

- 97.1. This constitution and these terms of reference may be altered by a majority resolution of the Trust Board.

## **98. Circulation list**

- 98.1. This constitution and these terms of reference shall be circulated to the Trust Board, all Local Governors, the Clerks to the Board and LGBs and others at the discretion of the Chair of the Trust Board or the Chair of an LGB. This constitution and these terms of reference were approved and adopted by a resolution of the Trust Board.

## **125. Part Two: Appendix 9: Learn-AT role description for the chair of the Local Governing Body**

*(adapted from NGA role description for the chair of the governing board, 2016)*

- 125.1. The role of the chair of Local Governing Body (LGB) should be viewed in the same light as that of the chair of the board in any other sector. The role of the chair is demanding, complex and multi-faceted. The chair leads the LGB in ensuring it fulfils its functions well. A good chair will ensure the LGB's focus is on the strategic and on achieving the vision of the Trust Board. The culture of the LGB is largely determined by its chair. The chair is "first among equals" but has no defined individual power. A good chair works well with school leaders to advise and shape proposals to be discussed at the LGB meetings.
- 125.2. The chair should facilitate the LGB working as a team to challenge, support and contribute to the strategic leadership of the school. As well as leader of the board, the chair is at times a confidante, a manager, a critical friend, a cheerleader, an ambassador, an arbitrator, and possibly a mentor and coach; the balance of these roles adopted will depend on the situation at hand and in particular the experience and strengths of the headteacher.

## **126. Role Purpose: Leading governance in schools**

- 126.1. To provide leadership to the LGB and ensure that Local Governors fulfil their functions for the proper governance of the school.

## **127. Leading governance in schools**

- To ensure that the LGB and headteacher have a shared sense of purpose.
- To ensure the LGB sets a clear vision and strategy for the school, within Learn Academies Trust.
- To lead the LGB in monitoring the headteacher's implementation of the trust and school strategy.

## **128. Leading and developing the team**

- To ensure the LGB has the required skills to govern well, and that appointments made fill any identified skills gaps.
- To ensure all local governors receive appropriate induction, ongoing training as needed and have a thorough understanding of their role.
- To ensure Local Governors act reasonably and in line with the Trust's agreed code of conduct.
- To develop a good working relationship with the vice chair, ensuring s/he

is kept fully informed and delegated tasks as appropriate.

- To ensure that Local Governors feel valued and to encourage their development.
- To carry out a performance review of each Local Governor.
- To ensure that there is a plan for succession for the chair, vice-chair and any committee chairs, and that by recommending limits on office, there is always a mix of new and experienced members.

## **129. The chair, the headteacher and accountability**

- To build a professional relationship with the headteacher which allows for honest conversations, acting as a sounding board and ensuring there are no surprises at meetings.
- To meet regularly with the headteacher, which in normal circumstances is likely to be monthly.
- To ensure that there are transparent and effective processes for the recruitment and induction of the headteacher.
- To ensure appropriate Local Governor involvement in the recruitment of senior leaders.
- To ensure all Local Governors concentrate on their strategic role, receive information fit for purpose and hold the headteacher to account.
- To ensure that the headteacher provides staff with an understanding of the role of the LGB and acts as link between the two.
- Where required, represent the LGB in its relationship with the Trust Board and external partners and be an advocate for the school.
- To attend school functions (plays/sports days/prize giving) as appropriate and encourage other Local Governors to do so.
- To ensure that complaints made to the Local Governing Body are dealt with in a timely and effective manner.
- The chair will also play a role, with the Trust Executive Team and the Trust Board, in any decision to suspend the headteacher.

## **130. Working on behalf of the Trust Board to contribute to leading school improvement**

- To ensure the LGB is involved at a strategic level in the school's self-evaluation process and that this feeds into the key priorities.
- To ensure the LGB's business is focussed on the Trust and school's key strategic priorities.
- To take the lead in representing the LGB at relevant external meetings

with agencies such as Ofsted, the Department for Education and the local authority.

- To ensure the LGB has mechanisms in place to obtain and listen to the views of parents, pupils and staff.
- To ensure the LGB adopts a visits protocol which is linked to monitoring key strategic priorities. The chair, who should already have a good knowledge of the school, will need to consider whether s/he needs to continue such formal monitoring visits or whether these are now best delegated to the team.

### **131. Leading Local Governing Body Business**

- With the clerk and the headteacher, to plan for the LGB meetings, ensuring that agendas focus on the LGB's key responsibilities and strategic priorities and reducing unnecessary paperwork.
- Chair meetings effectively and promote an open culture on the LGB that allows ideas and discussion to thrive whilst ensuring clear decisions are reached as quickly as possible.
- To collaborate with the clerk to establish effective working procedures and sound committee structures.
- To ensure that decisions taken at the meetings of the LGB are implemented.
- To ensure the LGB appoints a professional clerk capable of providing advice on the board's functions and that s/he is appraised and developed.

### **132. Appointing the Chair**

132.1. In Learn-AT, the chair of the LGB will be appointed by the other Local Governors.

### **133. What skills/attributes should a chair have?**

133.1. Candidates for chair should be able to demonstrate a good selection of the skills/attributes set out below:

- Commitment to the school
- Good understanding of the environment in which the school is operating and wider education policy

### **134. What are the extra time commitments?**

- 134.1. The expectation for charity trustees is that the time commitment should be between 10-20 days a year, with the chair of the board being at the upper end of the time commitment. There are many similarities between chairs of governing boards and charities (indeed academies are charitable companies) so you should aim to keep your commitment at or below the 20-day limit. If you are finding your commitment is significantly more than 20 days then it may be productive to sit down and work out what you are spending your time on, whether it is strictly necessary and/or whether it can/should be delegated to someone else.
- 134.2. Further advice and guidance about all of the above information can be found in the NGA's publication, *The Chair's Handbook* (4<sup>th</sup> ed.), available at a discounted rate to members.
- 134.3.
- 134.4. The Chairs of Governors Leadership Development programme provides opportunities for chairs and aspiring chairs to develop their leadership skills. The programme developed by the National College is provided by a number of licensees around the country and the NGA in conjunction with the Eastern Leadership Centre is one of those licensees for the programme – see [www.leadingsgovernance.org](http://www.leadingsgovernance.org).

### **135. NGA Governance Leadership 360 Diagnostic**

- 135.1. How do you know if you are a good chair? Working with the Eastern Leadership Centre (ELC), NGA has launched a new 360 diagnostic designed especially for chairs of governing boards. The NGA 360 online tool consults chairs' colleagues to produce feedback containing an array of nuanced views and opinions which form a comprehensive description of the chair's performance. The report aims to offer comprehensive information regarding areas of strength, as well as areas where improvement may be required.

## 136. Part Two: Appendix 10 Electing Local Parent Governors

- 136.1. All individuals governing on the Local Governing Body, regardless of their constituency are elected or appointed with one common purpose – to govern the school/s in the best interest of pupils. Local Parent Governors are no exception. They are not elected to represent their stakeholder group but are elected in order to contribute to the work of the Local Governing Body in ensuring high standards of achievement for all children and young people in the school, contributing to strategic discussions, holding senior leaders to account by monitoring school performance and ensuring money is well spent.
- 136.2. Having Local Governing Body (LGB) members who bring different perspectives and knowledge to the LGB strengthens it. Elections can provide a useful device for ensuring that not all members of the LGB are appointed and that those with different views are able to join the LGB. But irrespective of how Local Governors are appointed, it is crucial that they are confident in their role, committed to asking challenging questions and equipped with the confidence to have the courageous conversations essential for good governance being achieved.
- 136.3. *Parents or individuals exercising parental responsibility of a registered pupil at the academy holding the election at the time when he/she is elected are eligible to stand for election and to vote subject to the disqualifications outlined in*
- 136.4. The required number of Local Parent Governors is outlined in the Learn-AT Governance Policy. The election procedure below will apply.
- 136.5. The Local Governing Body is responsible for making the arrangements for elections of Local Parent Governors and must take reasonable steps to make sure that every parent of a registered pupil at the school is:
- informed of the vacancy and the fact that it is required to be filled by election;
  - informed that they are entitled to stand as a candidate and vote in the election; and
  - given the opportunity to do so.
  - In the event that the election is contested a secret ballot will be arranged.
- 136.6. In the event that there are fewer candidates than vacancies, the Local Governing Body may recommend for appointment Local Parent Governors up to the maximum allowed by the Learn-AT Governance Policy. Final appointment is subject to approval by the Board of Trustees. Again, it must appoint a person who is the parent, or an individual exercising parental responsibility, of a registered pupil at the academy.

## 137. Election Procedure - step by step

1. When a serving parent trustee/parent local governing committee member is reaching

the end of his/her term of office, the clerk to trustees will inform the board of trustees and headteacher. A timetable for an election is agreed that minimises delay and avoids school holidays.

2. The returning officer (the headteacher or the Chair of the Local Governing Body) will send a letter to all parents notifying them that an election for a Local Parent Governor is required and inviting nominations on an enclosed nomination form. Parents will be alerted to the election via ParentMail. The nomination form will indicate the closing date for nominations, which will be no less than 10 school days from the date of issue. Candidates will be invited to submit a statement in support of their nomination, which should be no longer than 250 words.
3. The Local Governing Body will carry out a regular skills audit of Local Governing Body members and on occasion, may ask for parents with particular skills/experience to put their name forward for election. This does not preclude any other member of the parent body from standing for election.
4. Parents may self-nominate but if a parent wishes to nominate another parent, they should seek their approval before submitting the nomination.
5. Where the number of candidates nominated is equal to or fewer than the number of vacancies, then all those nominated will be elected unopposed. If too few parents stand for election to fill all the vacancies, the Local Governing Body may recommend the appointment of Local Parent Governors to the vacancy or vacancies in accordance with the Learn-AT Governance Policy, subject to final approval by the Board of Trustees.
6. Nominees must complete a Learn-AT Local Governor Application Form.
7. If there are more nominations than vacancies, a ballot will be conducted. Letters, ballot papers and return envelopes will be sent to all parents. The letters will set out that:
  - All parents of registered pupils at the academy are entitled to vote.
  - Depending on the number of vacancies, parents may be asked to vote for more than one candidate. Each parent can submit one ballot form, regardless of the number of children they have attending the school
  - The closing date and time for receipt of ballot papers, which will be no less than 10 school days.
8. If applicable, the candidates' personal statements will be enclosed.
9. A ballot box will be provided in the school reception area/foyer, and parents will also be given the option to vote by post. No arrangements will be made for proxy voting.
10. Returned envelopes must be locked away unopened until the closing date.
11. At the closing date for return of ballot papers, the returning officer will count the votes in front of at least two witnesses. Candidates and trustees will be invited to witness this, but there is no requirement for either to attend. The returning officer is responsible for determining whether a "spoiled" ballot should be included. The outcome of the vote will be decided by the simple majority vote system.

12. In the event of a tie, there should be a recount. If this does not produce a clear result, the returning officer should, in the presence of the witnesses, draw lots.
13. The clerk to the Local Governing Body will inform all the candidates individually about the result of the ballot.
14. Other parents will be notified of the result via the school newsletter.
15. The ballot papers will be retained securely for six months in case the election result is challenged.

## 138. Annex A: Model Nomination Letter

Dear Parent/Carer,

### **PARENT TRUSTEE/LOCAL GOVERNING COMMITTEE MEMBER ELECTION**

I am writing to you to invite you to stand for election as a Local Parent Governor or nominate another parent to do so. In our school we have provision for <insert number> Local Parent Governors and there is/are currently <insert number> vacancy/vacancies.

The local governing committee is delegated certain functions by the board of trustees as detailed in the Learn-AT Governance Policy.

No special qualifications are needed; the most important thing is to have a keen interest in the school and be prepared to play an active part in the Local Governing Body's work. However, we would particularly welcome nominations from parents with the following skills <description of desired skills>. Training is available for all local governors and this LGB has an expectation that those new to being a Local Governing Body member, attend free induction training.

The enclosed sheet summarises the circumstances under which someone cannot serve as a local governor. Nominations must be from parents, or individuals exercising parental responsibility, of a child at the academy.

If you would like to stand for election please complete the enclosed nomination form and return it to the school no later than <insert date>. You may also include a short personal statement to support your nomination, which should be no longer than 250 words. Self-nominations will be accepted but if you are nominating another parent, please seek their prior consent.

If there are more nominations than vacancies the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours faithfully,

Returning Officer.
